#### EDUCATION

Master in CSE VTU University | 2017-2019

I hold a Master's degree from VTU (Visvesvaraya Technological University), where I pursued a rigorous academic journey in my chosen field of study. Throughout my time at VTU,

• Bachelor in CSE VTU University | 2013-2017

I hold a Bachelor's degree from VTU (Visvesvaraya Technological University), where I pursued a rigorous academic journey in my chosen field of study. Throughout my time at VTU, I not only acquired valuable knowledge but also developed a strong work ethic and a passion for continuous learning.

PUC Excellent PU College | 2011-2013

I have successfully completed my pre-university education at Excellent PU College, where I embraced a rigorous academic journey. With dedication and a thirst for knowledge, I consistently pursued excellence in my studies, honing my critical thinking and problem-solving skills.

#### EXPERIENCE

Web Designer Siemens 2019-2020

As a Web Designer at Siemens, I've had the privilege of combining my creative skills with cutting-edge technology to craft visually appealing and user-friendly digital experiences. With a focus on user-centered design principles, I've contributed to enhancing Siemens' online presence and engaging customers effectively.

App Designer Google | 2020-2021

During my tenure as an App Designer at Google, I've had the incredible opportunity to shape the future of digital experiences. My work revolves around crafting intuitive and visually stunning mobile applications that seamlessly integrate into users' daily lives.

Graphical Designer Microsoft | 2021-2022

As a Graphic Designer at Microsoft, my creative journey has revolved around translating complex ideas into compelling visual narratives. I've had the privilege of crafting visually stunning graphics and multimedia elements that have enriched Microsoft's products and presentations.
